

Pleasant Grove

Utah's City of Trees

October 18, 2018

Dear Canyon Grove Academy Students and Faculty,

I wanted to write and personally thank you for your service provided to the Pleasant Grove City Parks Department and Utah County Public Works Department. The Cleanup of trash along the Murdock Trail System was a HUGE help. It greatly improved the safety of the trail and also the aesthetics. Over 187 volunteer hours were completed in this project, that alone saved Pleasant Grove City and Utah County Public Works multiple man hours.

Its citizens such as yourself who dedicate your time and talents that makes Pleasant Grove the wonderful place it is. Our Customer Service Theme is "Be Pleasant Grove PROUD". Thank you for helping us become PROUD.

Please pass this along to those who helped in this great project.

Thank you again for an outstanding job,

A handwritten signature in blue ink that reads "Deon Giles".
