A Canyon Grove Academy Newsletter March 26, 2020

## Dear Families,

I hope you are all doing well. It is hard being so far apart and we miss you! Please reach out to us and let us know if there is anything we can do to help. We know you are all working hard at home and trying to juggle the added stress of the situation with school work. My heart aches for you. Hang in there friends! You've got this,  
**Kim**

IF YOU WANT TO  
CHANGE THE WORLD,

GO HOME

AND

*love your  
family.*

## Announcements

To help you at home we started a Pinterest board and have pinned hundreds of fun and educational resources. Take a look: [CGA Pinterest](#)

The State of Utah School Superintendent announced that all schools are closed until May 1st. Please keep in touch with us and let us know how we can best support you.

## Whew!

"It's been a whirlwind of a week. So much has happened over the past week in the United States and around the world as COVID-19 has escalated to global proportions....In the midst of all this, one thing hasn't changed—our human desire to love and to be loved. As more and more people go into self-quarantine and isolation, this emotional need will become even more amplified. So how can we continue to meet the needs of our friends and loved ones during this time?"

Want to read more from Dr.Chapman? Click [here](#) as he breaks down ways to use the Five Love Languages during this time home together.

**Food services** are available to all Canyon Grove students through the CGA food program at no cost. Parents can pick up food curbside. You will receive a box with breakfasts and lunches for the week.

**ORDER DEADLINE 2:00pm, THURSDAY, MARCH 26th for PICKUP Monday, March 30th, 9:30 am-11:00 am (if I order food for March 23rd-27th).**

## What About Screen Time?

Right now it seems that there is a lot more time for the screens. This can be hard to juggle as mom. Sometimes we just want something at least educational! Here at Canyon Grove we support that! For some educated surfing check out [Neo K12](#). This website is a rich source of educational videos and games. So breath easy mom, just some screen time that will ease your conscience!

### Advice for Parents from Professor Jo Boaler

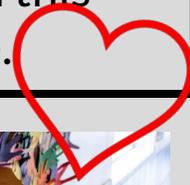

Do you remember how excited your children were about math when they were young? How they were excited by patterns in nature? How they rearranged a set of objects and found, with delight, that they had the same number? Before children start school they often talk about maths with curiosity and wonder, but soon after they start school many children decide that maths is confusing and scary and they are not a “math person”. This is because maths in many schools is all about procedures, memorization and deciding which children can and which cannot. Maths has become a performance subject and students of all ages are more likely to tell you that maths is all about answering questions correctly than tell you about the beauty of the subject or the way it piques their interest.

## COVID-19 RESOURCES AND SOCIAL DISTANCING SUPPORT

In an effort to support you we have put everything in one place! Visit our [Website](#) to find our current Newsletter, access to our Pinterest Boards, Online Software, Virtual Field Trips and more! We can get through this together one day at a time.

### Curriculum Support & Pick-Up

Please call ahead for any curriculum needs so that Brooke can be certain your materials are ready and downstairs.

When you arrive, please call the school and you can pick up materials curbside.

## ATTENTION ALL READERS AND MATHEMATICIANS!

Canyon Grove Academy highly recommends Lexia Core 5 Reading and ST Math to all of our students. We love these programs because they are engaging and fun for students with the added bonus of being extremely effective in helping students progress! CGA recognizes the efforts of students who actively participate in these programs weekly. During school closure, students will still be able to earn celebration points that they will accumulate to use at a special booth at our Renaissance Fair. We are inviting all students to participate! Contact your ES for more info.
