

# Canyon Thoughts

A Canyon Grove Academy Newsletter April 9, 2020

Dear Families,

*I hope you are relaxing and enjoying your Spring Break. Remember that Epic Day information for DE students is still available [here](#). You can keep following along from home. Also look for us on Pinterest. (Canyon Grove) for lots of additional fun.*

Being a mother is  
**LEARNING ABOUT STRENGTHS** you didn't know you had, and  
**DEALING WITH FEARS** you didn't know existed.  
-NISHAN PANWAR

## Announcements

### Two New Discovery Day Options Starting 4/6 (Yup During Spring Break!)

**Let's Connect!** is our weekly online meeting via Zoom. It's about fun & movement for one hour each week. Please join us on the day of the week that you regularly attended Discovery Days at 11:00 am or 1:00 pm. No registration required. Reach out to your Education Specialist or Teacher to Find out your ID & Password.

**Flip Grid Challenges!** Can you hold a pole in both hands and twist it around your body without letting go? Let's find out? New challenges posted every day! Student's will record a short video of themselves doing the challenge or talking about the results! Reach out to your Education Specialist or Teacher to find out your day, time, and password.

Email Jana with any questions:  
[jana.stout@canyongrove.com](mailto:jana.stout@canyongrove.com)

## EASTER Science and STEM

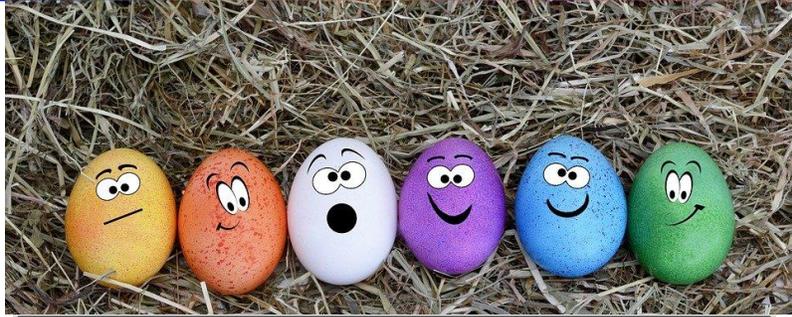

**CLICK HERE FOR EASTER STEM ACTIVITIES**

Spring Break  
April 6th-10th.

## Salt Dough Easter Eggs

This is a great way to decorate eggs without the dye! Just some salt-dough, paint, and glitter & your kids will create something Eggseptional!

[Salt Dough Easter Eggs](#)

## Literally Walk on Eggshells!

There is so much you can do with eggs that support science as well! Make Crystal Geodes, make an egg bounce, or even create a naked egg. Have an EGGsquisite time integrating Eggs into Science this season!

[Egg Experiments](#)

***CHECK MORE FUN WITH EGGS AND SCIENCE!  
AWESOME EGG EXPERIMENTS***

***EDIBLE  
EASTER  
CRAFTS!***

## From Playdough to Plato!

Get all mixed up! Place various math facts on eggs and have your child find the right end, with the right answer. You could even slip a snack or treat inside for when they get it right! Nothing like a little EGGstra practice!

[Easter Eggs Math Facts](#)

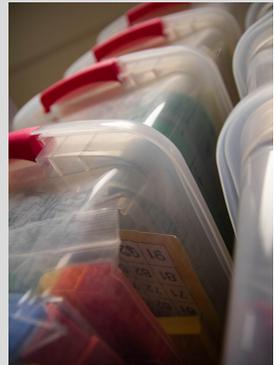

## Curriculum Support & Pick-Up

Please call ahead for any curriculum needs so that Brooke can be certain your materials are ready and downstairs.

When you arrive, please call the school and you can pick up materials curbside.

## DE READ-A-THON

MARCH 16-APRIL 10

## FLIP GRID!

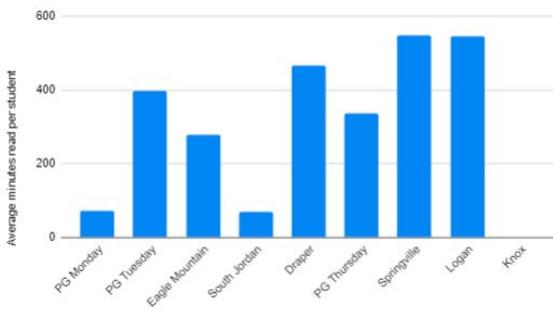

Teachers are using Flip Grid to post awesome videos to connect with your students! Jump on and join the fun! Go to [FlipGrid](#) and enter this code!

**larson0431**

Keep reading for the Read-A-Thon!  
Here are results from week three:

CGA Read-A-Thon Week 3 Results

**PARENTS TO ENTER YOUR READING TIME CLICK [READ-A-THON](#)**

**CGA's Top Recommendations** for reading programs: The recent school closure has prompted several companies to offer free access to their programs for a limited time. Check out this [list](#) and see if any programs would be a good match for your child's reading curriculum!

Even ABC Mouse!

## Looking for Something to do?

America's Test Kitchen, making kids help in the kitchen is so much fun!

**[America's Test Kitchen](#)**

## Easter Egg Tag

Hopefully this week the weather will let you take the fun outside! Try out:

**[Easter Egg Tag!](#)**

Just a little something to EGGcourage movement!

## ATTENTION ALL READERS AND MATHEMATICIANS!

Canyon Grove Academy highly recommends Lexia Core 5 Reading and ST Math to all of our students. During school closure, students will still be able to earn celebration points that they will accumulate to use at a special booth at our Renaissance Fair. We are inviting all students to participate! Contact your teacher for more info.
