HAPPY Summer

Dear CGA Families,

We would love to celebrate a successful (although unusual) school year in social distance style! You are invited to a drive-in movie at Water Gardens theater in Pleasant Grove. This will be a special event just for Canyon Grove families held in mid-July. Students will be able to pick-up any prizes they have earned for Lexia and ST Math at the movie. Additionally, students who continue to use Lexia and ST Math (at the recommended usage rate) will receive a free popcorn and drink at the movie! We hope to see you there! [Drive-In Movie Sign-Up](#)
