

Meeting Family Needs

Attendance Policy

Students must be enrolled and completing coursework within their curriculum plan throughout the school year whether that be in person or at home through distance learning. Engagement is required for success. Given the contagiousness of COVID-19 and other illnesses, students and staff **SHOULD NOT** attend school while experiencing any symptoms.

Grading Policy

Canyon Grove Academy uses a competency based grading system to guide students, teachers, and families through their child's journey of mastery of grade level concepts and standards. This system will continue throughout the 2020-2021 school year.

Grading Policy

Meals

Canyon Grove Academy no longer offers a child nutrition program on location. Students will eat breakfast at home prior to attending school and will bring their own lunch from home each day.

Special Education

Students with disabilities who are served under an individualized education plan (IEP) will continue to receive their specially designed instruction and related services consistent with the need to protect the health and safety of students and the educators who serve them. Additionally, these students will be afforded the same engagement options available to all students. This may include both remote and/or in-person services as determined by the IEP team.

English Learning Students

Students who have been identified as English Learning students will continue to receive their language acquisition services and support through options of in-person and online instruction. CGA's ELL supervisor will work closely with Title III to ensure that support is provided to students, staff and parents to determine appropriate accommodations and educational expectations.
