

A Safe Environment at Canyon Grove Academy

STUDENTS

Accommodations and procedures will be made within the school setting to ensure social distancing and safety.

HAND SANITIZER

Hand sanitizer will be placed throughout the classrooms, offices and cafeteria. Hand sanitizer and/or regular washing of hands is recommended several times throughout the day.

MASKS

According to state mandate, masks are required for all students, employees and visitors in schools and on buses. one cloth mask will be provided to each student and employee.

WATER BOTTLES

Traditional drinking fountains will be temporarily closed. Students will be asked to bring a water bottle to school. If a student doesn't have a water bottle paper cups will be available for safety.

CLEANING

The custodial services department has received specialized training regarding COVID-19 and enhanced sanitation efforts have been initiated.

TRAFFIC FLOW

Flow of traffic will be posted and directed throughout the school to accommodate social distancing.

HAND WASHING

An emphasis will be placed on teaching students, staff and family proper health and hygiene procedures (EX: 20 second handwashing)

DESK/SEATING

Where available, a six foot distance will be kept between desks and seating areas. Students Will have their own supplies and any shared supplies will be disinfected before and after use.
