May 3rd-7th Acadience (K-3)
May 10th-14th: Last week of Innovations, NWEA Math (K-8th), KEEP
May 17th-21st: NWEA Reading (K-8th)
May 24th -28th: Last day of Epic will run for half day - games & goodbyes!

It is the end of the school year. Along with lots of fun learning, this also includes testing. ([More info here.](#)) We have spread these assessments over several weeks so it is not stressful on any given day. They test for a short while and enjoy all the hands-on learning the rest of the day. Please remember, it is vitally important to our school to have students participate. We use this school-wide testing data to prove that our students are academically progressing at an appropriate pace, so having this information keeps our school open. We want to THANK YOU for allowing your students to participate in the end of year testing.

OUR EMOTIONS ARE LIKE CLOUDS

"Our emotions are like clouds. They can be white and fluffy when we're feeling joyful or calm. And they can also be grey and stormy when we're feeling angry or sad. They are always moving, changing, and floating. If the clouds are rainy or stormy, we can use an "umbrella".

[Do an activity](#) and [Read how to be inclusive](#)

RISE PRACTICE TESTS

Parents, you can have your students do [RISE practice tests](#). Once the student goes to the link, they click "Take the Training Test". Then click "sign in." Use the drop down menu to choose a grade and a test will pop up that they can practice. You can sit and talk them through the practice questions, or they can practice on their own... at their own pace, just one question a day or whatever works for them :)

Here are some sample questions to get you started...

CANYON GROVE READ-A-THON

Here are the weekly readathon results with all the reported minutes for Week 3. Right now it's neck and neck with Draper and PG Thursday. (Draper is reading about 2.5 minutes more per student) Pump up your reading with Literacy Bingo, can you get bingo by next week?

THIS GOOGLE FORM can be filled out multiple times throughout the month, anytime you read! Lexia minutes (and other online reading programs) can count towards the Readathon. We are on the LAST week for the readathon. The response form will turn off Friday, April 2nd at midnight.

SCIENCE OFFICIAL RULES!

Friday April 9th from 9-11 a.m. is our school SCIENCE BEE! [The official rules](#) are now open for study. If you need help logging into the website, contact your Education Specialist.
