Google Reviews

Thank you to those who left a positive review. We could use a few more in the 5-star range. :) Also, we would REALLY love your help with our Google Review campaign. If you have had a 5-star experience, please take time to give us a stellar review! This helps our new families know what great things they can expect from us. Thank you for your help and support.

TODAY I'M GRATEFUL FOR MY KIDS

NEW PARTNERSHIP WITH INSTRUCTURE

Junior Achievement of Utah is excited to announce a new partnership with Instructure! Through the use of Canvas, a learning management system used by K-12 and higher education institutions, JA of Utah will have the ability to bring our entrepreneurship, financial literacy and work readiness programs to every child we serve.

We look forward to using Instructure's technology to reach students across the entire state of Utah!

Home Learning Course Survey

Thank you for taking a moment and giving us your thoughts about this year's CGA Home Learning Courses. We used rating scales with optional comments so this should take only a couple of minutes... unless you have a lot of comments. :) We are trying to get information on HOW MUCH you might have used each program and WHAT YOU THOUGHT of different parts of each program. This information always helps us to keep the best things and also see where we need to improve. We truly appreciate your feedback! [LINK HERE](#)
