In keeping with the requirements of U.C.A. §53G-5-202(1)(b) the SCSB will perform at least an annual review (more often as the need arises as determined by the Authorizer) and evaluation of the performance of the Charter School and hold the Charter School accountable for its performance. To facilitate the annual or any other review the School shall maintain the necessary records to provide the following:
- a. Annual Performance Report.²⁶ In keeping with the purpose of the Utah Charter Schools Act, the State Charter School Board will produce for public distribution an annual report that provides clear, accurate, performance data for the Charter School according to the frameworks set forth by the SCSB, and those found in Exhibit “A,” as well as reporting overall portfolio performance.
 - b. Documentation. The Governing Board shall maintain all documents used to determine and support data used to prepare the annual report provided in subsection 4.1 a., and shall submit such additional documents as the SCSB may request.
- 4.2 Review Process. The Charter School review process will be guided by the following core 4.3 questions, and by the purposes, and School Accountability Measures found in Exhibit “A”:

The SCSB will provide to the Governing Board clear, adequate, evidence-based, and timely notice of law, rule, regulation, or Charter Agreement violations, or performance deficiencies and allow the Governing Board reasonable time and opportunity for remediation in non-emergency situations. Where intervention is needed, the SCSB will engage in intervention strategies that preserve Governing Board autonomy and responsibility (i.e., identifying what the school must remedy without prescribing solutions), but may take additional action as the circumstances, and exigencies dictate.

²⁶ U.C.A. §53G-5-202(1)(b)

²⁷ U.C.A. §53G-5-501(5)

- a. Notice of Concern. Staff may issue a “Notice of Concern” addressed to the Governing Board outlining areas of concern.
- b. Letter of Warning. SCSB may direct staff to issue a “Letter of Warning” addressed to the Governing Board identifying deficiencies and providing a timeline by which the deficiencies shall be remedied. The terms of the letter and the consequences associated with the warning will be those found in the letter. In addition, the SCSB may provide focused support to the Charter School, including assigning a mentor and on-site monitoring.
- c. Probation. SCSB may direct staff, before termination of this Charter Agreement for a material breach thereof, to place a School on “Probation” for such period of time, up to one year, or such other time period as may be appropriate or established by rule, necessary for the School to be able to establish its ability to comply with all of the terms and conditions of this Agreement and all controlling laws, regulations and rules. The SCSB will provide notice of such probation and the terms of that probation in a letter provided to the Governing Board. In addition, the SCSB may provide focused support to the Charter School, including assigning a coach, providing professional development, and analysis of monthly written updates provided by the Charter School governing board and key administrators.
